

## What?

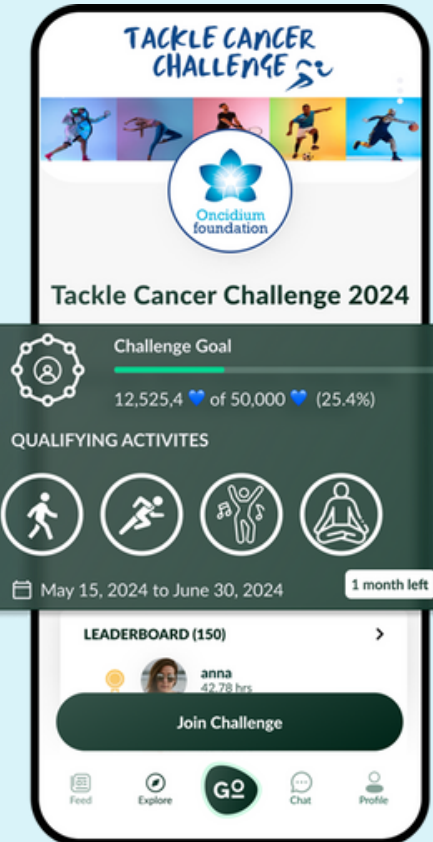

Raise awareness about radiotheranostics for cancer care

The Tackle Cancer Challenge is a **collective and sportive event** with the aim of achieving 50,000 km together by combining all kind of sporting activities, worldwide.

## Support and join us!

After registering, participants can log their kilometers on a mobile app and can interact globally by sharing pictures and raising awareness about radiotheranostics.

## How?

**Previous edition:**  
40,000 km worldwide  
430 participants  
20 countries

## What's in it for you?

Take part in a meaningful event

Help us enhance patient access

Rally your employees around a good cause

Worldwide visibility and recognition

## When?

- Launch on **October 18th, 2024**
- **Two weeks duration**
